1) It is stated in the remarks of the D C under "General" that the total demand including arrears under all heads amounted to Rs 1,99,639/- & the total Collections now including a remission of Rs 3,500/- were only Rs 87,143/- leaving a balance of Rs 1,12,496/- at the close of the quarter. recovery of arrears many of the Ml Cls would not be in a position to discharge their essential and obligatory duties entrusted to them

The arrears to be collected are disproportionately heavy and inspite of the warning given by the Presidents of the Ml Cls by the D C While reviewing the D C & B Statement for the Quarter ending 31st March 1936 (Vide Flag 'S' in the Depo Mat) they would be held personally responsible for slackness in collection work no substantial improvement seems to have been made even though it was the last quarter of the year

It is for orders whether the D C may be requested to forward the explanations of Officers responsible for accumulation of arrears in Mkts where the total Collections fall short of 60 per cent of the total demand & also to take disciplinary action against Ml Officials who have failed to take diligent steps for the recovery of assessed taxes

It is seen from statement (Flag G) that the collections during the months commencing from Feb 1935 when he took charge of the office as chief officer compare quite favourably with the collections in the corresponding months of the years 1930-31 to 1934-35. Mr M D Krishnan however explains by saying that the Collections during the period he was in charge were generally more than the Collections in the same months in previous years from 30-31 and that, but for the revision of assessment brought into force from 35-36 there would have been better Collections. This explanation cannot be said to be satisfactory as it is likely that the revision of assessment has contributed to the increase in Collection arithmetically, as there would always be a number of assessees who would pay by slips and the Collections from these might have come without any effort on the part of the Ch: Officer. The Board has gone to the extent of remarking that Mr M D Krishnan neglected Collection work by Headquarters and Head Chief Officer the Members of the Board beneath his dignity or to appear to do so'.

In view however of the fact that Nanjangud is not an easy place to deal with and the fact that Mr M D Krishnan was new to this kind of work, it is for consideration whether it would not suffice if his work at Chikmagalur is ordered to be watched for 6 months or a year. The transfer to Chikmagalur itself being

Short collection of assessed tax in Nanjangud Municipality

Adverting to Government Order No L 1140/M1 61-36-7 dated the 7th August 1936 directing the submission of a special report about the collection of arrears in Nanjangud Municipality, and with reference to the observations contained in your demi-official letter No L 1963 dated 9th September 1936 on the quarterly review of Municipal Demand, Collection and Balance statement of the several Municipalities for the quarter ending 30th June 1936, I have the honour to submit herewith in original the several reports received from the Presidents of the marginally noted Municipal Councils and to state as follows in respect of each Municipality -

Nanjangud,	Yelandur,	Krishnarajnagar,
Malavalli,	Saragur,	Nirle,
Seringapatam,	French Rocks,	Maddur
Ramasamudra,	Melkote,	and
Nagamangala,	T Narasipur,	Agara-Mamballi

NANJANGUD

I am in entire agreement with the recommendation of the President, Nanjangud Municipal Council that the Chief Officer (Mr M D Krishnan) has shirked his responsibility in the matter of getting distraints executed or executing them himself and has failed to extract work from the subordinate officials such as Sanitary Inspector, Bill Collectors and others I am of opinion that Mr M D Krishnan (now Chief Officer of Chickmagalur Municipality) is not fit for executive work, and deserves to be reverted to the Clerical

Clerical line. The then Sanitary Inspector Narayana Rao has failed to execute distraints promptly, and I am addressing the Director of Health to stop his increment for one year The other subordinate officials will be severely warned

MALAVALLI

The explanation offered is hardly convincing Both the Sanitary Inspector and Bill Collector have been fined fifteen days' pay each

SERINGAPATAM

The low percentage is due to various causes such as defects in maintenance of accounts, and omission to prepare remission lists for years The matter is receiving prompt attention now

RAMASAMUDRAM

The Bill Collector has been already punished and the collection work is receiving greater attention of both the subordinate staff and of the President

NAGAMANGALA

The report of the President is hardly convincing The Amildar who is ex-officio President has not been taking sufficient interest and orders will be issued directing him to realise his responsibility and improve the collection

YELANDUR

This is a very small Municipality and the Amildar ought to take greater interest He may be warned that his increments will be withheld until the collection improves

S A R A G U R

The Amildar, Heggadadevan ote Taluk is the Ex-officio President He will be directed to pay greater attention to collection work and be made responsible for improvements

The

The Bill Collector has, however, been severely warned

FRENCH ROCKS

The report of the President may be accepted Both the Sanitary Inspector and the collection staff have been warned

M E L K O T E

The President reports that the collection work suffered owing to the revision of taxes having been brought into effect at the end of 1935-36, and that the Municipal Clerk who attended to collection work had been warned ~~He adds that the collection work had been warned.~~ He adds that the collection work has since improved In the circumstances, the report of the President may be accepted I have administered a warning to the official

T NARASIPUR

Every attempt has been made to improve collections, and the subordinates have been made to realize their responsibility The report of the President may be accepted

KRISHNARAJNAGAR
